

Community Safety Resource List

This is a community resource list for people who would like to connect with organizations interested in or working on preventing violence and/or improving safety in Portland. We encourage you to learn more and get involved in any of the organizations listed here that match your personal interests, gifts, and talents. Please use this list for your personal reference; it is not intended to be used for solicitation or marketing purposes. This is not a comprehensive list; if you know of a group that you would like to see added to this list, please email us at outreach@ourunitedvillages.org.
